Services will have singing, preaching, testimonies, and morning sessions will be divided up boys and girls. We are going to instruct in spiritual and practical truths utilizing all the tools the Lord has given at our disposal.
- PREACHERS:** Pastor Scott Justice (Gloryland Baptist Church) will be our main preacher this year. We are also pleased to welcome Pastor Jing Batac from Harvesters Baptist Church and Orphanage. Brother Batac will be with us until Wednesday and will be preaching to our young people! Our young men should be prepared to preach as well.
- ACTIVITIES:** Teams will be made, and campers divided onto teams for various activities.
- MEMORIZATION:** MANY points will be given for the memorization of the whole passage of Psalms 119. This year, points will be awarded per verse, and campers who memorize every verse in the chapter will be rewarded personally and with mega team points!

Please ensure you read the dress code. Be assured that your camper's safety is paramount. We have been diligent to ensure that we provide a safe environment. We desire to produce campers with a zeal and passion for Jesus, through the preaching of God's Word. Please pray with us for the generation of young people, that God will stir their hearts for Him!
